

How many KickStart Products does your breakfast club use in a week?

Place 1 mark on the Tally chart for every box used each day- add up for the week to see your total. Track for 2-4 weeks to confirm what's used on average and use this information to inform your next term update.

DATE:	Monday	Tuesday	Wednesday	Thursday	Friday	Total for the week
Anchor 1L Milk cartons						
Weet-bix 750g boxes

KickStart Breakfast products are for use on school grounds only for your breakfast club.

Please keep leftover product to use for the following term. Please ensure older products are always used first, and before their best before date.

Thank you for protecting the sustainability of our special programme by ordering only what you need and sharing our commitment to avoid waste.

Please contact the KickStart Breakfast team for support on managing your stock or term update process.
